GOOD PRACTICES IN LIFELONG LEARNING FROM VALENCIA, SPAIN

2nd PLA Meeting Promoting Adult
Learning Networks

Valencia, Oct 7th and 8th 2022

FPEmpresa successfully organised the 2nd PLA of PRALINE in Valencia

FPEmpresa VET Schools Association, Spain organised the second PLA (Peer Learning Activity) of the European project PRALINE (Promoting Adult Learning in Networks), which took place at the beginning of October in the city of Valencia.

FPEmpresa's Project Manager, Elena Argudo, highlights: "In this project, we strengthen collaboration between organisations similar to FPEmpresa from 9 different countries." "It has been a very fruitful gathering to see first-hand how lifelong learning is being developed in other countries," she adds. Elena Argudo also points out that this activity will be very useful for the creation of a solid network of contacts that will allow the development of new projects.

"This has been the first face-to-face activity carried out since the beginning of the COVID-19 pandemic. Therefore, it has been very special for all the participants", she concluded.

This second learning session included the different European partners of the project, as well as some other guests who shared different good practices that are being developed in the field of Vocational Education and Training. Among other guests, the training technician of the VET Department of the Valencian Community, Robert Crespo; the professor of the CIFP Mislata of Valencia, Santiago Rodrigo; the professor of the Colegio Santiago Apóstol, Sandro De Gregorio; and the associate professor at the University of Zagreb, Tihomir Žiljak.

In addition, attendees had the opportunity to enjoy different activities in the city that allowed them to experience the Spanish culture.

The ultimate objective of the PRALINE project is to strengthen the international networks of adult education providers that are already in operation, through peer learning, counselling and capacity building.
